Al LaGreca ★ Sean Clough

REBUILDING WILL TAKE A TEAM OF TRUSTED LEADERS

Smithfield needs a leadership team with guiding principles compatible with those of our residents.
Our guiding principles include:

- *Putting the needs of our community ahead of those of our party and ourselves*
- *Protecting and assisting our children and senior citizens*
- *Preserving our environment and heritage & forcing all development to be responsible development*
- *Improving our quality of life for all our residents*
- *Demanding honest, open and transparent government for everyone*
- *Guarding public resources and spending tax dollars efficiently to reduce spending and taxation*

Vote to **REJECT** bad Charter changes

✓ **REJECT # 3** Four Year Council Terms

- Council Members need to be accountable to the people.
- Four year terms make them **less** accountable.

✓ **REJECT # 15** Political Personnel Board

- Our charter is based on the political Council setting policy and the professional Town Manager running the day to day operations. Let's keep politics out of town hiring!
- The proposed Personnel Board violates this basic principal.

✓ **REJECT # 19** Reserves We Cannot Afford

- If we create realistic budgets, 5% reserve is enough.
- We should **NOT** collect more taxes for "just in case".
- Governments will always find something to spend your money on.

✓ **REJECT # 32** Bureaucrats Allowed to Change Our Charter

- It's **OUR** Town. It's **OUR** Charter.
 - Only **WE** should be allowed to change it.
